

HF Fund-Raising Professional

Position Description:

Seeking full-time or part-time/contract Fund-Raising Professional for a Palo Alto-based hedge fund managing an \$80MM market-neutral equity portfolio using fundamentals and sentiment based strategies. Top-decile performance over the last 12 and 48 months presents a timely opportunity to grow the asset base significantly.

Requirements:

- 5+ years of financial services or comparable experience
- Strong understanding of the asset management and alternative investment industry
- Superior sales/communication skills, both verbal and written, necessary to communicate complex financial information
- Ability to manipulate performance spreadsheets to assemble data for DDQs
- Ideal candidate will possess the following traits: energetic, self motivated, detail-oriented, persuasive and persistent attitude
- CFA, CAIA and Series 7/66 beneficial.

About Connective Capital

Connective Capital Management (CCM) seeks superior uncorrelated investment returns by exploiting inefficiencies in high-volatility growth sectors, such as technology and climate change related equities. CCM utilizes a bottom-up, fundamental-research approach, leveraging the research team's deep industry experience, network of contacts, and successful stock-selection experience. CCM invests in portfolios selected from 10-12 market sub-sectors.
